Dear Marie France,

On behalf of the BC School Trustees Association, I would like to thank you for serving as a Deputy Chair during BCSTA's Annual General Meeting Saturday business session.

Having so many new trustees at this year's AGM made for a very eventful day, but having you at the helm to keep things moving along was much appreciated. Thank you for taking time out of your busy pre-AGM schedule to be part of this experience.

Warm regards,

Teresa Rezansoff

President
