Email sent on behalf of Marie-Pierre Lavoie, Chair of the CSF.

Dear Cristina,

Thank you for getting back to us and sharing the City of Terrace's flag policy. We appreciate your time in reviewing our request.

We'd love to start a dialogue between the City of Terrace and the Conseil scolaire francophone (CSF) in hope to present who we are and showcase the positive outcomes of having a healthy francophone school community within a rural city. We would like to explore any possibilities for long term collaboration and possibly moving forward with the flag initiative or other that would be mutually beneficial. Please let us know your thoughts and we'd be happy to provide more details.

Thanks again for your time and consideration.

Best regards,

Marie-Pierre Lavoie
